

Kenilworth Lions Furniture Store Spring Sale

Raising funds for Ambulances for the Ukraine

It is over two years since Russia's invasion of Ukraine. With tremendous support from LKQ Euro Car Parts and volunteers, the Polish Centre in Leamington have sent 20 ambulances so far to support medical efforts, but more are needed. As well as making a substantial donation Kenilworth Lions Club are holding a Spring Sale at the popular Lions Furniture Store, Farmer Ward Road, on Saturday April 13th for 9AM to 12.30. There will be reductions in all departments with quantity of garden equipment and furniture included. All proceeds will go to this humanitarian cause. There will be price reductions in all departments.

And if you can't get to the store in Farmer Ward Road (CV8 2DH) you can donate to this project at <https://cafdonate.cafonline.org/25666>
